Albert Pike said, "The sun is the ancient symbol of the life-giving and generative power of the Deity."

Sun god symbolism has been prominently placed on MacArthur's booklet that is free to the public and claims to reveal the TRUE work of the Holy Spirit.

I'd love to have a copy if someone can make that happen. I don't think they'd send one to me. 😊

The sunburst symbol is boldly displayed on the cover of the *FREE* booklet, *The True Work of the Holy Spirit*. The sunburst is a symbol of the SUN GOD. The sun god is Satan, also called Ra in Freemasonry.

The late Albert Pike, a high-level Luciferian and highly influential Freemason, wrote that the power of his deity is symbolized by the sun:

"The Sun is the ancient symbol of the life-giving and generative power of the Deity."
